THE MONTEZUMA BALL COMMITTEES ARE APPOINTED

Effect This Year Will be Japanese-Spread by Fred Harvey.

J. H. O'Reilly, who was elected manager of the Montezuma ball of the territorial fair on Wednesday evening of this week, is already getting busy with the arrangements.

He has appointed his committees and has seen the management of the Alvarado hotel. The ball, as usual, will be held in the large dining room of the hotel and the spread will be made by Fred Harvey.

The decorations this year will be elaborate as ever, but on a little different order.

The color scheme and effect this year will be Japanese in the hotel and out in the garden. Last year the spread was served on the west porch and it will be held in the same place again, and to avoid the possibility of cold weather, because of the lateness of the season, the porches will be heated by radiators. The music will be the best to be had and of course the remainder will be up to a standard long, with the spread by Montezuma balls.

Mr. O'Reilly's committees are as follows:
